Audio-Visual Equipment Rentals

Let Instructional Media Services at Education Service Center-Region 19 provide your organization with up-to-date technology and fast, professional service. Yes, you can have it all for less. We offer both daily rentals to any organization or individual as well as annual contracts to school districts.

Affordable audio-visual equipment and services for every need!

Delivery and professional set-up always available for:

- Digital projectors, screens, sound systems, including battery-powered for outdoor use.
- Wired and wireless microphones for any occasion: graduations, dedication ceremonies, music and drama productions, in-service training, etc.
- CD/DVD/Videotape duplication and label making at affordable rates.
- A complete audio-visual repair department for overhead projectors, televisions, DVD/VCRs, audio cassette recorders and more. Lamp sales at reasonable rates, too.

Save even more by picking up and returning your equipment. For a list of all available equipment, visit our website at www.esc19.net and click on "Instructional Media Services" from the Quick Links menu.

Open to the Public.
No school affiliation necessary.

For equipment, videos or duplication service, call 780-5022.
For A/V repair, call 780-5030.
